**Re: Notice of Ex Parte Presentation**  
***Promoting Telehealth for Low-Income Consumers, WC Docket No. 18-213***

Dear Ms. Dortch:

On June 13, 2019, the following representatives of CHRISTUS Health met with Commissioner Brendan Carr and Jamie Susskind, chief of staff to Commissioner Carr, to discuss the above-captioned proceeding: Lynn Gibson, Vice President and Chief Technology Officer; Jon Manis, Senior Vice President and Deputy Chief Information Officer; Michael Talley, Vice President Virtual Care-Clinical Improvement; Traci Thompson, System Director Advocacy & Public Policy; Todd Tuten, Senior Advisor, Akin Gump Strauss Hauer & Feld LLP; and Galen Roehl, Senior Policy Advisor, Akin Gump Strauss Hauer & Feld LLP. Consistent with its comments filed in response to the Notice of Inquiry in the above-captioned proceeding,<sup>1</sup> CHRISTUS Health discussed its experiences with connected care, support for the Federal Communications Commission's proposal to establish a Connected Care Pilot Program, and opportunities for health care providers to leverage greater connectivity to expand access to care and improve patient outcomes.

CHRISTUS Health also distributed a system profile providing an overview of its network of more than 600 not-for-profit health care facilities, a copy of which is attached hereto.

## Our Mission

## Our Core Values

## Our Vision

## Our Name and Symbol

### *Why We Exist.*

To extend the healing ministry of Jesus Christ.

### *What We Believe In.*

**DIGNITY** Respect for the worth of every person, recognition and commitment to the value of diverse individuals and perspectives, and special concern for the poor and underserved.

**INTEGRITY** Honesty, justice, and consistency in all relationships.

**EXCELLENCE** High standards of service and performance.

**COMPASSION** Service in a spirit of empathy, love, and concern.

**STEWARDSHIP** Wise and just use of talents and resources in a collaborative manner.

### *What We Are Striving To Do.*

CHRISTUS Health, a Catholic health ministry, will be a leader, a partner and an advocate in the creation of innovative health and wellness solutions that improve the lives of individuals and communities so that all may experience God's healing presence and love.

### *Who We Are.*

CHRISTUS is Latin for "Christ," and proclaims publicly the core of our mission.

The Congregations of the Sisters of the Holy Family of Nazareth and the Sisters of Charity of the Incarnate Word of Houston and San Antonio sponsor CHRISTUS Health. They are united in their commitment to creating communities of love and hope which foster and celebrate the oneness of the human family.

Our Symbol reflects the healing ministry of Jesus Christ—a combination of a medical cross and a religious cross. The flowing banner on the cross is a common symbol of the risen Christ, while the royal purple signifies Christ. The flowing banner also conveys a sense of motion as we move forward into a new era of service to our communities.
